

## Materials Asked of Classroom Teachers for the Midwest Food Connection Lessons

Primary = grades K-2

Intermediate = grades 3-5

### Spring – Urban Farming

*For this series, a plant-watering-plan will need to be developed with the students and we will need a safe place where the plants can receive light and grow.*

#### **Primary**

Ins and Outs of Seedlings: A place where garden journals can be stored

Planning Your Garden: Tape or glue for recipe

Buzz on Bugs: n/a

Spring Harvest: Tape or glue for recipe

#### **Intermediate**

Ins and Outs of Seedlings: A place where garden journals can be stored

Planning Your Garden: Tape or glue for recipe

Buzz on Bugs: Tape or glue for beneficial insect chart

Spring Harvest: Tape or glue for recipe

**For all lessons**: Crayons or colored pencils, access to an outlet and a whiteboard. Scissors may also be useful.
